WHO WE ARE

PT. RANIA BINA UTAMA is a company involved in the construction field as a General Contractor. The establishment of this company is our response to opportunities in the construction sector.

Equipped with years of experience in the field of Contractor, Project Management and Estimators from our own team, including experienced human resources management, we are committed to provide the best service to bring a high quality project to reality on time.

PT. RANIA BINA UTAMA provides earth works, site infrastructure works, civil & architecture works, interior works, steel construction, wooden houses construction, building maintenance including design and build.

The background image shows a modern interior space. It features large windows with dark frames and horizontal blinds. The room has a high ceiling with a long, thin light fixture. In the foreground, there is a patterned rug and a wooden coffee table. In the background, there are wooden chairs and a wooden bench. The overall atmosphere is warm and modern.

VISION

To become a leading professional construction company that is reliable, timely and quality focused.

MISSION

Realizing ideas by working responsibly for the best results and adapting to market values.
